

The Humane Society of the Ochocos Volunteer Application

Volunteers are an integral part of the Humane Society of the Ochocos ability to provide quality services to the animals and the people of our community. Members of our volunteer team work in almost every aspect of our animal shelter. The information you provide on this application will assist in finding the most appropriate and rewarding volunteer positions for you. The time that you dedicate as a Humane Society volunteer will make a difference in the lives of the thousand-plus animals we receive each year, as well as improve the lives of all of the animals in our community.
